Project Commencement Form

Name of the Industry: ISAC

Address: Noida India Uttar Pradesh

Team Details:

S.No	ID No	Student Name	Degree & Branch
1.	VTU16139	Abhishek Kumar	
2.	VTU11942	Sushil Kumar	B-Tech & CSE
3.	VTU11813	Niraj Kumar	

Date of reporting for project work: 5 Feb

Name of the Industry Supervisor   : Deepjyoti Talukdar

Department   : Network Administrator

Designation   :Dark Web Researcher

Contact Number   :8399010034

Email ID   :deepjyoti.talukdar@cyberange.io

Name of the Internal Supervisor   : M DIVYA

Contact No.   : 9962240164

Email ID   : mdivya@veltech.edu.in

Tentative Project Title / Project domain: Dark Web Monitoring For Cyber Security Information

Brief Project/task description:The Dark Web Monitoring project aims to develop a system that can monitor the dark web and alert organizations of any potential threats or breaches that could harm their sensitive information. The system will use machine learning algorithms to analyze data and identify any suspicious activity, including the sale or exchange of stolen data, illegal items, or illicit service.
